SIR,

With reference to para 3 of Order No 2505-6/Ed 44 dated 21st August 1902, I have the honour to inform you that the Muhammadan population of Jagalur is about 300, and about 25 boys and a few girls may be expected to attend the boys' school if one is opened there. The opening of the school was recommended as the Muhammadans of Jagalur have been repeatedly asking for it, and Jagalur is one of the few Taluk stations without a Hindustani school.

2 The Muhammadan population of Chamarajapatna is about 600. When I

I inspected the Wesleyan Mission Kannada Girls' School at Chamarajapatna in last March, a deputation of Muhammadans waited on me, and took me to the Muhammadan Streets and pointed out a number of Muhammadan girls eager to attend school. Not less than 30 girls would attend if a school were opened. As the people were so eager to have a girls' school, I recommended the opening of one. The mistress on Rs 7 would be one who would be able to pass the II or III Standard, while her school would be a lower primary one.

I have the honour to be,

Sir,

Your most obedient servant,

H Bhabha

Inspector General
